

3T- Early Childhood Educator Course

Free course for educators
of children ages 0-3

The 3Ts

The 3Ts — Tune In, Talk More, and Take Turns — are a simple, yet powerful teaching tool that helps everyone make the most of talk and interaction with children.

The course includes:

- Video-based lessons about the role educators play in early brain development, and ways to turn that knowledge into action
- Interactive questions and activities
- Certificate for 4 hours of PD
- More resources for families and organizations - everyone can sign up at the3Ts.org for customized 3Ts resources!
